Having active community members who volunteer for various events and positions at Windsor Community Centre is what allows our Community Centre to run and offer programs to our community. Without your volunteer commitment, Windsor Community Centre cannot function. Please do your part for your children & community.

Volunteer Commitment is a minimum of 6 hours / family. A post-dated cheque is required in the amount of **\$50.00 per family at time of registration**. Please issue your cheque dated **March 1st, 2012**. Upon completion of the required volunteer time, your cheque will be destroyed. If required participation is not completed by February 29th, 2012 your cheque will be deposited without notice.

I prefer to pay my fee of \$50.00 in lieu of volunteering. My cheque will be made out for today's date and cashed immediately.

IT IS YOUR RESPONSIBILITY TO ENSURE YOU MEET THIS COMMITMENT.

I have read and understand the volunteer commitment required
